Subject: Prohibited Attorney's List

Dear Mr. Czarnik:

This is to inform you that Pink OTC Markets Inc. (formerly Pink Sheets LLC) will no longer accept legal opinions from you. This decision is based on the charges set forth in the Securities and Exchange Commissions Litigation Release dated February 2, 2010 (<http://www.sec.gov/litigation/litreleases/2010/r21401.htm>) which describes your role in multi-million dollar pump-and-dump stock schemes.

Pink OTC Markets has established a process in which attorneys provide letters with respect to adequate current information to assist companies to qualify for the Pink Sheets Current Information OTC Market Tier on www.pinksheets.com. We rely on opinions from counsel to state that the information posted on the OTC Disclosure and News Service provides adequate, current, publicly available information regarding the issuer and its securities. These materials are relied upon by public investors in making their investment decisions. Thus, Pink OTC Markets, and the investing public, must be able to rely upon the integrity of in-house and retained lawyers who represent issuers.

Based on the information available and your alleged participation in the "pump and dump" scheme, Pink OTC Markets has determined that it cannot rely on any such future Attorney Letters or other opinions written by you. Consequently, Pink OTC Markets has determined to add your name to our Prohibited Attorney's list found on http://www.pinksheets.com/pink/otcguide/issuers_service_providers.jsp?index=6.

Lastly, please notify each of your clients of this determination.

Sincerely,

A handwritten signature in black ink that reads "Michael Vasilios".

Michael Vasilios
Director of Issuer Compliance

Pink OTC Markets Inc. provides the leading inter-dealer quotation and trading system in the over-the-counter (OTC) securities market. We create innovative technology and data solutions to efficiently connect market participants, improve price discovery, increase issuer disclosure, and better inform investors. Our marketplace, comprised of the issuer-listed OTCQX and broker-quoted Pink Sheets, is the third largest U.S. equity trading venue for company shares.
